

Class Environmental Assessment Study Information Sheet for Schedule B and C Projects

Fountain Street/King Street (Regional Roads #28 and #8), Cambridge
Shantz Hill Road to Eagle Street

Study/Project Scope (What & Why)

The Region of Waterloo is undertaking a Class Environmental Assessment (EA) Study to consider road improvements on Fountain Street, from Shantz Hill Road to King Street and on King Street, from Fountain Street to Eagle Street, Cambridge.

The Class EA was initiated to examine traffic congestion and higher than expected traffic accidents on the Fountain Street – King Street corridor.

Study Limits (from/to):

Fountain Street South - Shantz Hill Road to King Street and King Street - Fountain Street to Eagle Street

Preliminary Cost Estimate (Budget):

\$16 Million
