

Road Construction Contract

Sawmill Road and Northfield Drive (Regional Roads #17 and #22) Improvements Village of Conestogo

PROJECT SCOPE

The work under this contract includes the full reconstruction of the road structure on Sawmill Road and Northfield Drive (granular and asphalt), replacement of concrete curb and gutter, sidewalks and storm sewer and new watermains on Sawmill Road and Northfield Drive. The new watermain on Sawmill Road will be installed from Northfield Drive to the Conestogo Bridge. This section of watermain is a joint use watermain between the Region and Township of Woolwich. New water services will be installed to the abutting properties on Sawmill Road as part of this contract. The new watermain on Northfield Drive is a Region owned watermain and will be installed from Sawmill Road to Country Spring Walk. These new watermains are part of the planned system to provide potable water from St. Jacob's to the communities of Conestogo and West Montrose.

LIMITS (FROM/TO):

Sawmill Road from Musselman Crescent to the Conestogo Bridge, Northfield Drive from South Village Limits to Country Spring Walk, Village of Conestogo

September 5 – November 2017: Sawmill Road closed from Conestogo Bridge to Misty River Drive.
