

Road Construction Contract

Notre Dame Drive (Regional Road 12) and Snyder's Road East
(Regional Road 6), Petersburg
Notre Dame Drive (Hwy 7/8 off ramp to CNR tracks)
Snyder's Road East from approx. 230 m west of Notre Dame Drive to 320 m east
of Notre Dame Drive

STUDY/PROJECT SCOPE (WHAT & WHY)

The project will include the full reconstruction of Notre Dame Drive and Snyder's Road to an urbanized road cross section including concrete curb and gutter, storm sewers, boulevard landscaping, and consideration for the provision of pedestrian and cycling facilities. The project objectives are to correct road structural deficiencies, drainage deficiencies, assess and implement improvements to correct undefined access to properties abutting the road, assess adequacy of lane configuration, alignment and turning radii at the Notre Dame Drive and Snyder's Road intersection to accommodate the traffic types and traffic volumes and urbanization of the road cross section to meet the Transportation Corridor Design Guidelines (Rural Village - Main Street).

STUDY LIMITS (FROM/TO):

Notre Dame Drive (Hwy 7/8 off ramp to CNR tracks)
Snyder's Road East from approx. 230 m west of Notre Dame Drive to 320 m east of Notre Dame Drive
