Notice of Public Consultation Centre

Highland Road Improvements Fischer-Hallman Road to Ira Needles Boulevard City of Kitchener Municipal Class Environmental Assessment, Schedule "C"

The Regional Municipality of Waterloo is undertaking a Municipal Class Environmental Assessment (Class EA) study for improvements on the Highland Road corridor from Fischer-Hallman Road to Ira Needles Boulevard in the City of Kitchener. Improvements along Highland Road are being considered in order to address pavement conditions and traffic capacity needs, as well as to provide active transportation facilities for pedestrians and cyclists along the corridor.

The study is being conducted in accordance with the Environmental Assessment Act through the approved environmental planning process for Schedule "C" projects under the "Municipal Class Environmental Assessment", dated October 2000, as amended in 2007, 2011 and 2015.

Public Consultation Centre

A Public Consultation Centre (informal 'drop-in' format) has been arranged to present project information to the public and receive public input and comments on the traffic and transportation needs and opportunities, alternatives for improvements, environmental impacts and evaluation criteria, and the Project Teams Preferred Alternative for this project. The Public Consultation Centre will take place as follows:

Date: Wednesday, March 8, 2017

Time: 4:30 p.m. to 8:00 p.m.

Place: Westheights Community Church, 82 Westheights Drive, Kitchener, Ontario

Project information and plans will be available for review and Region staff will be present to answer questions and receive comments on this project. Anyone with an interest in this project is invited to attend and provide input for incorporation into the planning and design of this project.

If you require further information on this project, or wish to be added to the project mailing list for future project notices, please contact either:

William Gilbert, P. Eng.
Senior Project Manager
Region of Waterloo
