## Notice of Public Consultation Centre

### Erb Street Improvements Fischer-Hallman Road to Wilmot Line City of Waterloo Municipal Class Environmental Assessment, Schedule 'C'

The Regional Municipality of Waterloo is undertaking a Municipal Class Environmental Assessment (Class EA) study for improvements to the Erb Street road corridor from Fischer-Hallman Road to Wilmot Line in the City of Waterloo. Improvements along Erb Street are being considered in order to improve roadway capacity to meet projected traffic growth and to improve active transportation facilities for pedestrians and cyclists along the corridor.

This study is being conducted in accordance with the Environmental Assessment Act through the approved environmental planning process for Schedule "C" projects under the "Municipal Class Environmental Assessment", dated October 2000, as amended in 2015.

### Public Consultation Centre

A Public Consultation Centre (informal 'drop-in' format) has been arranged to present project information to the public and receive public input and comments on the traffic and transportation needs and opportunities, alternatives for improvements, environmental impacts and evaluation criteria, and the Project Teams Preferred Alternative for this project. The Public Consultation Centre will take place as follows:

**Date:** Thursday, May 4, 2017

**Time:** 4:30 p.m. to 8:00 p.m.

**Place:** Kitchener-Waterloo Bilingual School, 600 Erb Street West, Waterloo, Ontario

Project information and plans will be available for review and Region staff will be present to answer questions and receive comments on this project. Anyone with an interest in this project is invited to attend and provide input for incorporation into the planning and design of this project.
