Notice of Public Consultation Centre

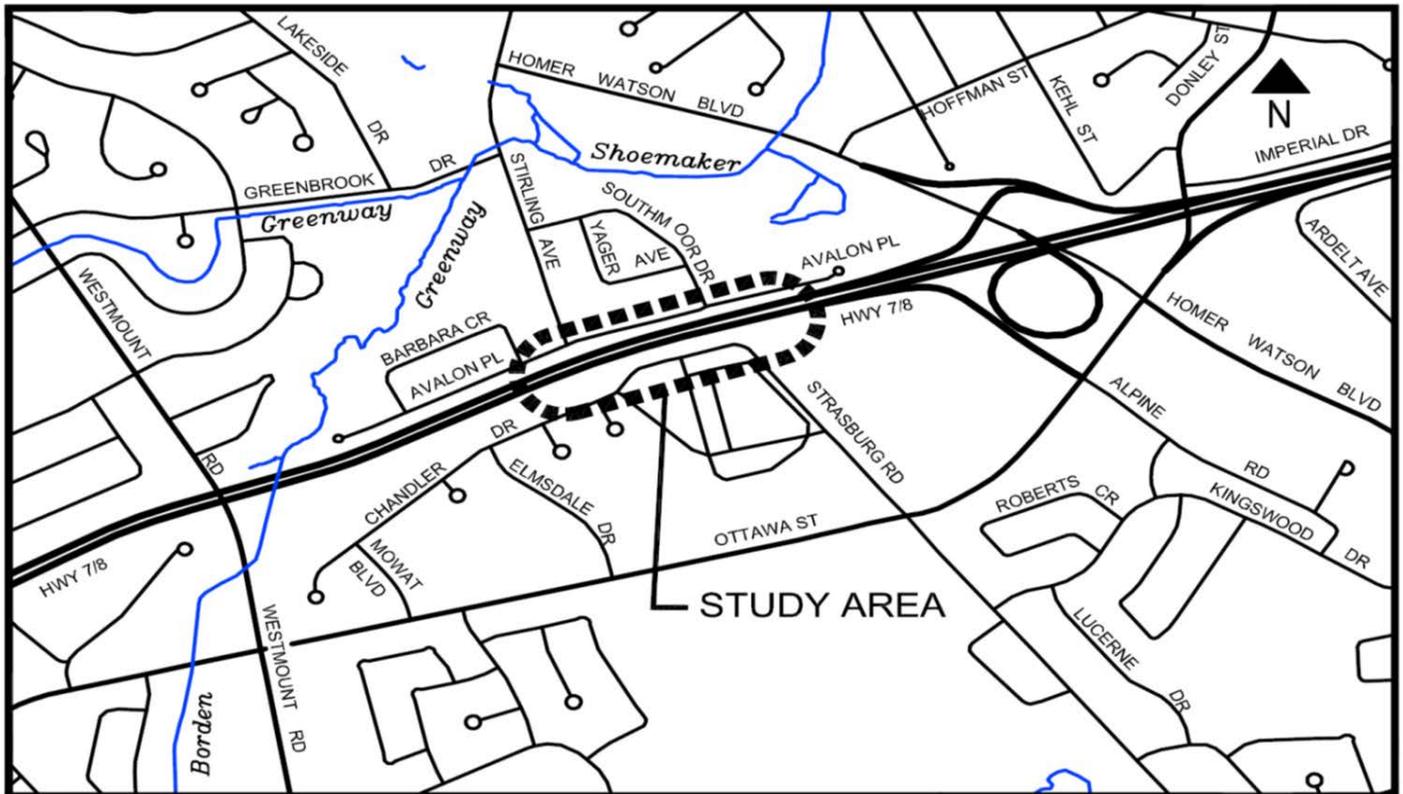

Highway 7/8 Cycling and Pedestrian Bridge

between Chandler Drive and Avalon Place

City of Kitchener

The Region of Waterloo is undertaking a planning study to consider a new cycling and pedestrian bridge crossing over Highway 7/8 between Chandler Drive and Avalon Place in the City of Kitchener. The cycling and pedestrian bridge is proposed to improve connectivity for pedestrians and cyclists between the adjacent residential, commercial and industrial developments, and improve access to existing transit services south of Highway 7/8.

This study is being conducted in accordance with the Environmental Assessment Act through the approved environmental planning process for Schedule “C” projects under the “Municipal Class Environmental Assessment”, dated October 2000, as amended in 2015.

Public Consultation Centre

A Public Consultation Centre (informal 'drop-in' format) has been arranged to present the alternatives under consideration and to receive public input. The Public Consultation Centre will take place as follows:

Date: Thursday, October 26, 2017

Time: 5:00 p.m. to 8:00 p.m.

Place: GRT Chandler Drive Building, 85 Chandler Drive, Kitchener, Ontario

Please note that the building is located along Chandler Drive, and is **not** the main building located on Strasburg Road. Welcome signage will be in place to direct attendees to the appropriate venue.

Project information and plans will be available for review and Region staff will be present to answer questions and receive comments on this project. Anyone with an interest in this project is invited to attend and provide input for consideration in the planning and design of this project.

If you are unable to attend the Public Consultation Centre and would like to provide your comments on the study, please address your comments or questions to:
