The Regional Municipality of Waterloo

A By-law to Establish Fees and Charges for the Regional Municipality of Waterloo and Repeal By-law 19-016, By-law 19-035, By-law 19-040 and By-law 19-050, As Amended

Whereas Section 391 of the “Municipal Act, S.O. 2001”, c.25, as amended, provides that a municipality may pass by-laws imposing fees or charges on any class of persons:

- a) for services or activities provided or done by or on behalf of it;
- b) for costs payable by it for services or activities provided or done by or on behalf of any other municipality or local board; and
- c) for the use of its property including property under its control.

And Whereas Section 69 (1) of the “Planning Act, R.S.O. 1990”, C.P.13, as amended, provides that a municipality may, by by-law, establish a tariff of fees for the processing of applications made in respect of planning matters.

And Whereas other legislation provides authority that The Regional Municipality of Waterloo may impose or collect fees or charges for various purposes.

And Whereas the Council of the Regional Municipality of Waterloo has given notice of its intention to impose fees and charges for services or activities provided by The Regional Municipality of Waterloo and for the use of its property including property under its control as required under Section 14 (1) of Ontario Regulation 244/02.

Now Therefore the Council of The Regional Municipality of Waterloo enacts as follows:

1. The fees and charges for services or activities provided by The Regional Municipality of Waterloo and the use of its properties, including properties under its control are hereby set out in Schedules “A” through “E” of this By-law.
2. The fees for the processing of applications made in respect of planning matters through The Regional Municipality of Waterloo are hereby set out in Schedule “C” of this By-law.
3. All fees and charges under this By-law are payable upon receipt of the service, upon registration for the activity, upon or before the use of the property or upon submission of the application.
4. All fees may be subject to applicable administration charges and interest charges as set by The Regional Municipality of Waterloo.
5. Applicable taxes will be applied to fees and charges as required.
6. This By-law may be cited as the “Fees and Charges By-law”.
7. This by-law comes into force and effect on January 22, 2020.

8. By-law Numbers 19-016, 19-035, 19-040 and By-law 19-050 are hereby repealed.
9. If any section or sections of this By-law or parts thereof are found by any Court to be illegal or beyond the power of Council to enact, such section or sections or parts thereof shall be deemed to be severable and all other sections or parts of this By-law shall be deemed to be separate and independent therefrom and shall continue in full force and effect unless and until similarly found illegal.

By-law read a first, second and third time and finally passed in the Council Chamber in the Regional Municipality of Waterloo this 22nd day of January, A.D., 2020.
