

Do's

- **Stick to Non-Motorized Fun:** Activities like hiking, mountain biking, and cross-country skiing are welcome.
- **Follow the Signs:** Pay attention to trail signs to know which activities are allowed where.
- **Mountain Bikers, Ride Smart:** Stay on marked trails, control your speed, and announce yourself around corners.
- **Bring In, Bring Out:** Whatever you bring with you, please take it back out to keep the forest clean.
- **Dog Owners:** Keep your furry friends leashed or under control at all times.
- **Snowmobilers:** Use only the designated and signed trails that are part of the Ontario Federation of Snowmobile Clubs (OFSC) network, following all OFSC rules.
- **Prevent Invasive Species:** Stay on marked paths, clean your gear, report any invasive species you see, and spread the word to others.
- **In Case of Emergency:** Dial 9-1-1

Don'ts

- **No Motorized Vehicles:** Keep the trails peaceful and safe by leaving motorized vehicles at home.
- **No Campfires:** Avoid starting fires to protect the forest from potential wildfires.
- **No Camping:** Overnight stays are not permitted to preserve the natural environment.
- **No Littering or Dumping:** Dispose of waste properly; littering harms wildlife and spoils the beauty of the forest.
- **No Hunting:** Hunting is prohibited to ensure the safety of all visitors and protect wildlife.
- **Do Not Harvest or Harass Plants or Animals:** Leave plants and animals undisturbed to maintain the ecosystem's health.

By following these guidelines, we can all enjoy and preserve the Waterloo Regional Forest for years to come.
