

**When you make a donation to the Sunnyside Foundation, you get to choose which fund your donation supports.**

### **General Fund**

The General Fund is where most of the Sunnyside Foundation's large purchases come from. A few examples of projects that have been funded by the General Fund would be:

- Funding Sunnyside's certification in The Butterfly Approach®: a person-centred and emotion-focused model of care for people living with a dementia
- Purchasing ceiling lifts for each resident room to allow residents to move with ease and comfort
- Enhancing the Recreation and Music Therapy programs and supplies

All donations that are not specified for a different fund will be put into the General Fund.

### **Community Alzheimer Program Fund**

If you select the Community Alzheimer Program Fund, your donation will go towards supporting Sunnyside's Community Alzheimer Programs in Kitchener, Waterloo, and Cambridge. In the past, these donations have been used for:

- Physical upgrades to the program
- Furniture and other items to help create a more home-like environment
- Technology to assist with programming
- Staff training

## **Walk and Roll**

Walk and Roll is the Sunnyside Foundation's largest fundraising event of the year. Held each June, Walk and Roll is a chance for the community to come together to support the older adults that are served by Sunnyside Seniors' Services. If you select the Walk and Roll Fund, your donation will go towards the fundraising total for that year.

## **Spiritual Care Fund:**

Donations to this fund will go towards a variety of programs and initiatives that are aimed at the spiritual wellness of all residents and their supporting people. Included might be multi-faith resources, enhancements to religious services and the chapel space, palliative and end of life care, provision and development of resources and kits designed to enhance spiritual wellness for persons with dementia and more.

## **Pandemic and Outbreak Support Fund**

Donations to the Pandemic and Outbreak Support Fund will help to aid with the purchase of items that support the health, safety and well-being of Sunnyside residents, tenants and staff such as personal protective equipment and technology that connects residents or tenants and their family or friends in the community.
