System Plan Update

# Operator Teleconferences

- Piloting hosting monthly 1 hour teleconferences with ELCC operators
- Calls will be recorded and posted to the Portal for people who are unable to join the call live
- One part of an engagement approach – more interactive than the newsletter
- Will evaluate after 2-3 calls to find out what is working or not working

# Operator Teleconferences

- **Purpose:**

- Supports ongoing, open communication during a time when changes are expected
- Information sharing from the Region to ELCC operators
  - Primary focus will be funding updates to start
- Opportunity for questions and brief discussion

- **Who should attend?**

- Decision-makers in the program and/or staff with responsibilities related to funding

# Operator Teleconferences

- **Agendas:**
  - Save the dates provided 1 month in advance, whenever possible
  - Operators are welcome to send ideas for Agenda items to Bethany Wagler-Mantle
    - What questions do you have?
    - What information are you missing?
  - Agenda and call-in instructions sent out 5 days in advance
- **Attendance:**
  - Recommended, but not mandatory

# Operator Teleconferences

- **Save the date:**
  - April 3, 2019, 1pm-4pm
