

Transportation Noise Assessment Application & Fee Form

Noise Assessment traffic forecast requests must be submitted in writing via mail, fax or email. The fee for production of the forecast and review of the noise assessment report is \$250 per development application, payable by credit card or cheque made payable to the Region of Waterloo.

Traffic forecasts will provide estimates of current and 10-year forecast Annual Average Daily Traffic (AADT), medium and heavy truck percentages of total traffic, day/night ratios and posted speed. Traffic forecasts will be provided within 15 business days of the date of the request, but will be withheld, if necessary, until payment has been received.

A signed waiver (below) must accompany the request. Digital signatures are acceptable.

Please complete the information requested below and submit with your payment details.
