**Re: Planning and Works Committee meeting on August 15, 2023**

**Approval of plans for proposed roundabout at Dickie Settlement Road and Roseville Road**

---

Regional staff is taking a recommendation to the August 15, 2023 Planning and Works Committee to propose the construction of a roundabout at Dickie Settlement Road (Regional Road No. 71) and Roseville Road (Regional Road No. 46) in the Township of North Dumfries. If approved, construction is planned for 2025.

Based on a review of the technical information gathered for this project, as well as a review of all public comments received, the project team is recommending a single-lane roundabout.

The Regional Planning and Works Committee meeting on August 15, 2023 is tentatively scheduled to start at 9 a.m. and will be streamed live at [regionofwaterloo.ca](https://regionofwaterloo.ca). **The start time is subject to change.** Please check [Agendas and Minutes](#) after 4:30 p.m. on August 8, 2023 to confirm the start time of the meeting and to access the staff report.

If you wish to appear as a delegation virtually or in person at this meeting, please register online using this [form](#). If you require further information, please email [regionalClerk@regionofwaterloo.ca](mailto:regionalClerk@regionofwaterloo.ca), or call 519-575-4400 and ask for the Office of the Regional Clerk. Delegations should plan to register 48 hours in advance of the meeting if they wish to speak for the full-time allotment and submit any presentations, if desired. If you register within 24 hours of the meeting, the speaker time is reduced and the presentations will not be accepted.

### **Public consultation and information**

Project information is available on the Region of Waterloo Engage site at:  
<https://www.engagewr.ca/proposed-roundabout-at-dickie-settlement-and-roseville-road>

Project information is also available on our website at:  
[https://www.regionofwaterloo.ca/en/living-here/resources/Documents/Future-Construction/DC\\_07441\\_InfoSheet.pdf](https://www.regionofwaterloo.ca/en/living-here/resources/Documents/Future-Construction/DC_07441_InfoSheet.pdf)

Thank you to everyone who participated in the online survey and provided comments on the proposed improvements.

Feedback from the public included concerns as well as support for the roundabout. The main themes raised by the public and adjacent property owners are below:

- Benefit from reduced speeds approaching and entering the roundabout.
- Benefit from improved traffic flow through the intersection.
- Concerns for cost and impact from roundabout construction.
- Concerns for the safe passage of large commercial trucks and agricultural equipment.

A summary of public comments and project team responses is included in the staff report.

### **Information**

You will find details of the construction start date, detours and contact information at [regionofwaterloo.ca](http://regionofwaterloo.ca) as they are finalized — search for **Construction and Road Closures**.

Please contact me if you have any questions regarding the proposed reconstruction or if you wish to receive more information.

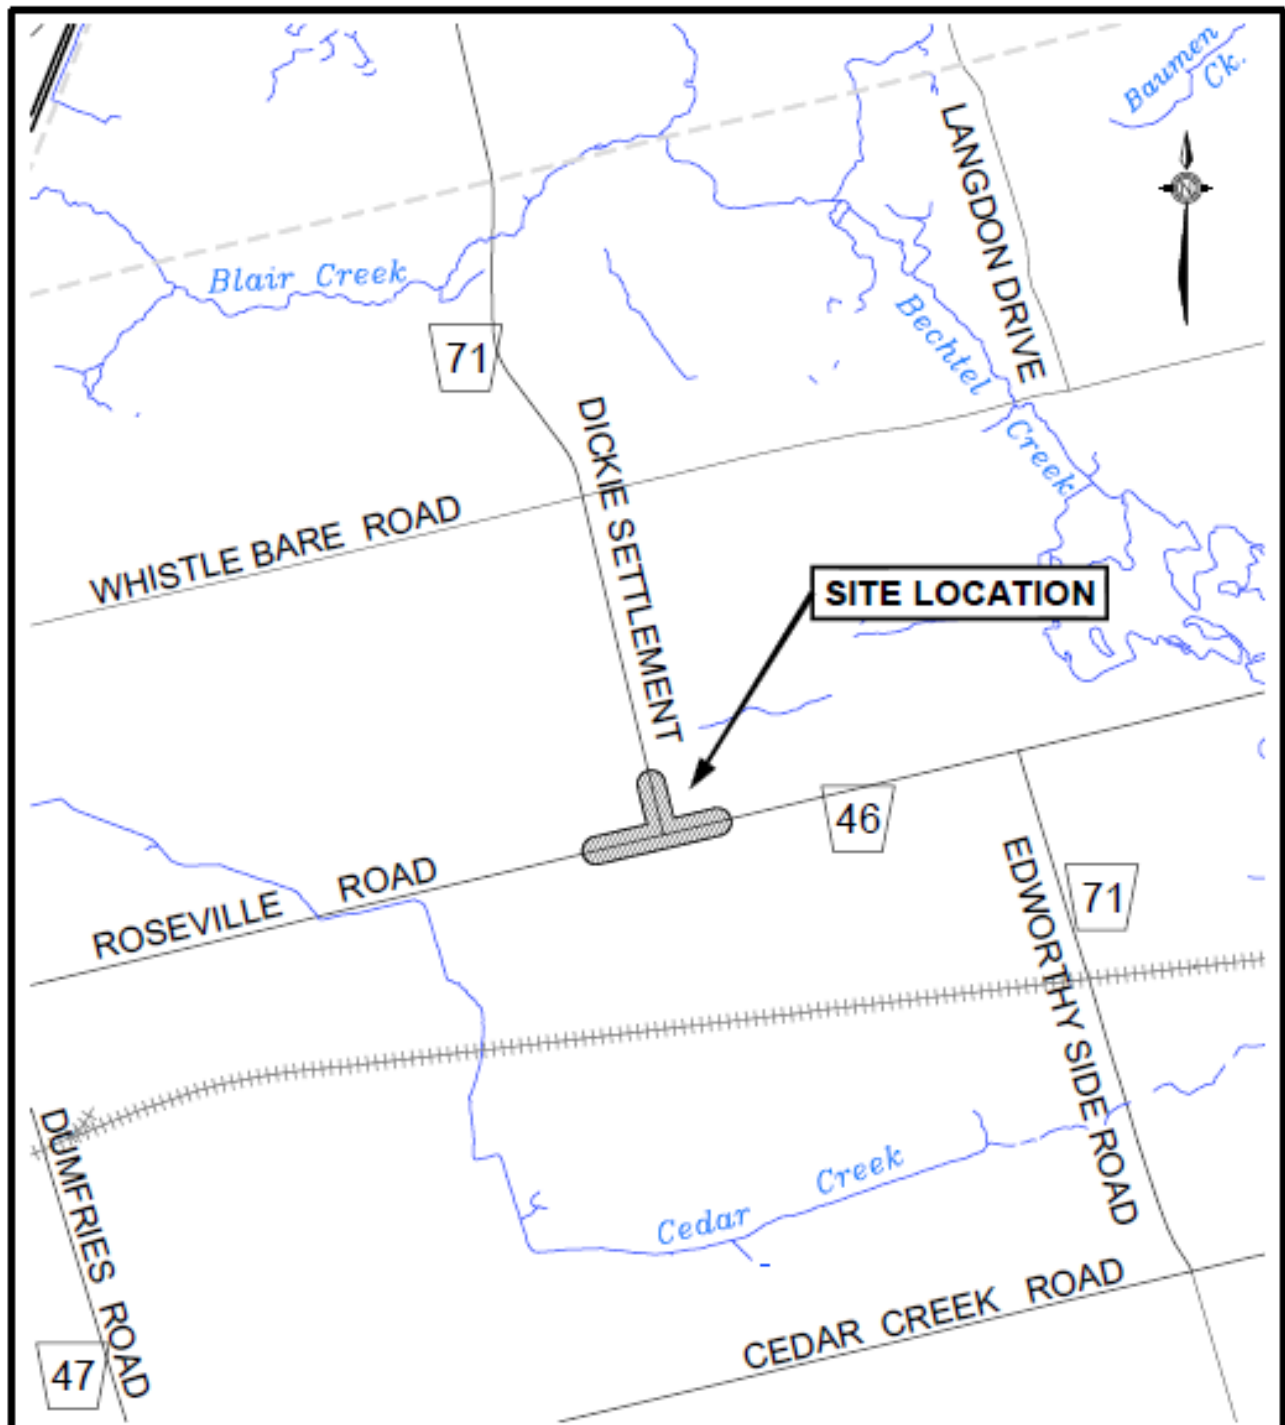

Yours truly,

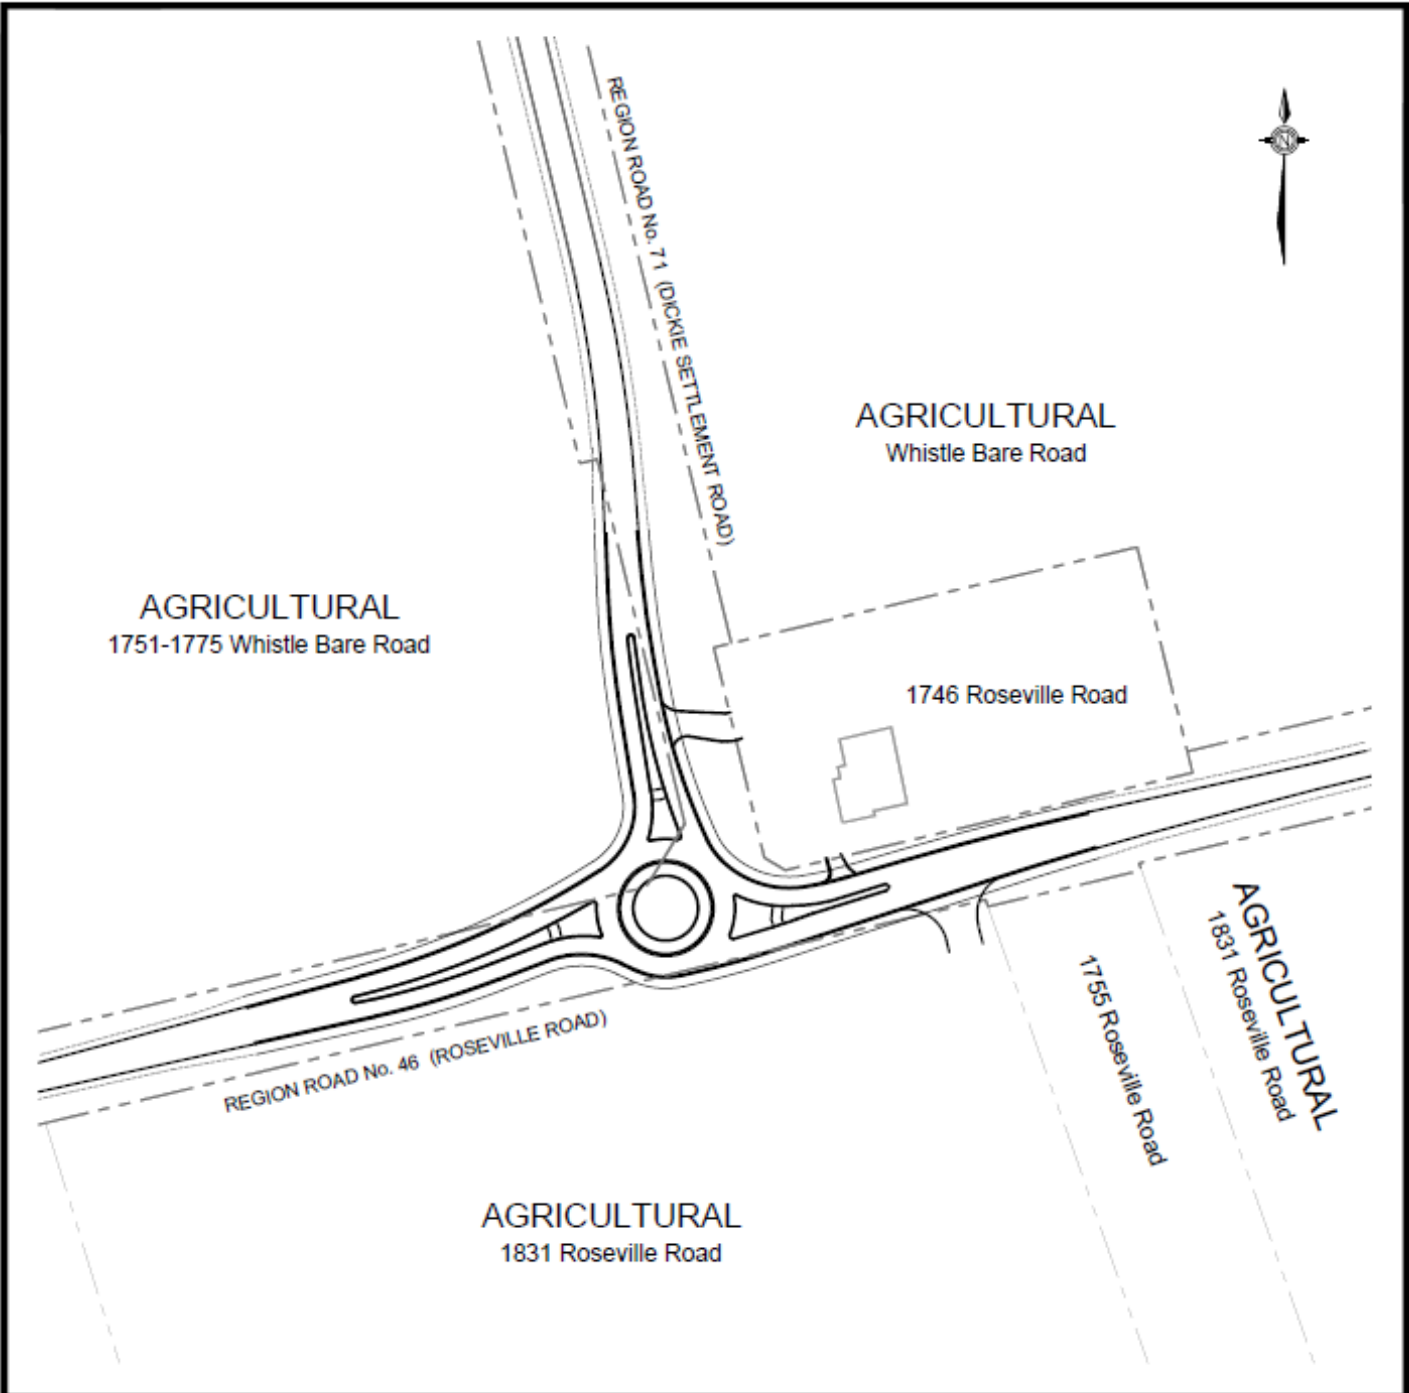

Steve Yonemitsu, P.Eng.,  
Engineer, Design and Construction
