

Outdoor Play and Supervision Agreement: Children over 5 years of age

Parent (or Guardian): _____

Caregiver: _____ Address: _____

Child's Name: _____ Date of Birth (d/m/y) _____

The Child Care and Early Years Act states that supervision of outdoor play must be agreed upon by the parent and the caregiver.

Every child over the age of 5 years must be supervised in a manner appropriate to their developmental age and their ability to follow general rules for safety.

Children may accompany the caregiver on child focused excursions and outings within the Regional Municipality of Waterloo, as planned as part of the day's program.

I understand that these outings may include trips to a park or natural area where the children may play at or near the water's edge of a creek, stream or pond. _____(Initial)

Transportation for these outings will be any manner of public or private transportation that the caregiver chooses. Children transported in private automobiles will be restrained in the correct method for their age and weight in accordance with federal and provincial standards and legislation. Any activities outside the Region of Waterloo will be agreed upon separately by the parent and caregiver in writing.

The above named child can attend community pools with the caregiver, provided that the pool has certified lifeguards on duty Yes No

Please indicate below how you would like your school aged child to be supervised during outdoor play:

- Direct and constant or visual supervision at all times
- Can be outside on his/her own with supervision through a window by the play area
- Regular checks with the children visually while playing outside
- Other:

Some children walk to school independently; others are bussed or transported by caregivers. Please indicate how your school age child will get to and from school:

- Child walks independently to and from school to the caregiver's home
- Caregiver drives/walks child to and from school to caregiver's home
- Child is transported by taxi to and from school to caregiver's home
