

Church Street East
From Arthur Street to Duke Street
Township of Woolwich

Study/Project Scope

Description of work: Reconstruction

The work will consist of:

- Full reconstruction of the pavement and road structure throughout the project limits.
- Replace and upsize sanitary sewers, watermains, cellar drains, storm sewers, and all associated services to homes and businesses.
- Replace and widen existing sidewalk where required to provide snow storage space and more comfort for pedestrians.
- Install new street lighting poles.
- Add a new westbound left turn lane on Church Street East at the intersection with Arthur Street.

Preliminary Cost Estimate (Budget): **\$2,960,000**
