

**Weber Street (Regional Road No. 8), Waterloo
Forwell Creek Road to Blythwood Road,
and Dutton Drive to Parkside Drive**

Class Environmental Assessment Study Information Sheet

Study/Project Scope (What & Why)

The work under this contract includes the full reconstruction of the road structure on Weber Street (gravel base and asphalt), replacement of concrete curb and gutter, sanitary and storm sewers, watermain, sidewalk, adding on-road cycling lanes and multi-use trails in some locations. Also included will be the rehabilitation of the surface of the Weber Street bridge over the ION tracks along with some associated road reconstruction and storm sewer replacement.

Preliminary Cost Estimate (Budget): \$9,500,000.00

Preliminary Schedule:

Commencement of Construction: April 2020
Completion of Construction: November 2020
