

King Street Reconstruction (Regional Road 15)

University Avenue and ION tracks south of Erb Street, City of Waterloo

Class Environmental Assessment Study Information Sheet for Schedule B and C Projects

Study/Project Scope (What & Why):

Improvements to King Street are needed as a result of the age / condition of underground infrastructure and the increased demand from adjacent residential developments. Such improvements include; the reconstruction of underground municipal services, replacement of the road surface / sidewalks, reconfiguration of traffic lanes and accommodation of active transportation needs.

Preliminary Cost Estimate (Budget): \$6,610,000.00

Preliminary Schedule

Commencement of 30 day review period:	September 2, 2016
Commencement of Detailed Design:	November 2016
Commencement of Construction:	Spring 2017 (Phase I)
Completion of Construction: (Phase II)	Spring/Summer 2020
