

Kressler Road Resurfacing, Watermain Replacement and Proposed Sidewalk

Limits: Kressler Road from Lobsinger Line to Arthur Road

Municipality: Village of Heidelberg

Class Environmental Assessment Study
Information Sheet for Schedule A+ Projects

Study/Project Scope (What & Why)

Description of work: The Region of Waterloo is scheduled to resurface Kressler Road in the Village of Heidelberg from Lobsinger Line to Arthur Road. This project has been initiated to address the rutting and poor pavement condition on this section of Kressler Road. During this time, the existing watermain on this section of Kressler Road as it has reached the end of its service life.

In addition, the Region of Waterloo is considering the installation of a new 1.5 metre wide sidewalk on the west side of Kressler Road from Lobsinger Line to Arthur Road. Currently no sidewalk exists on the west side of Kressler Road from Lobsinger Line to Arthur Road.

Preliminary Cost Estimate (Budget): \$1,090,000.00
