

Line 86 (Wallenstein) Upgrades
From 300 m West of Herrgott Road to 100 m East of Listowel Road
Hamlet of Wallenstein,
Township of Wellesley

Class Environmental Assessment Study
Information Sheet for Schedule A+ Projects

Study/Project Scope (What & Why)

Description of work. Proposed roadway improvements for Line 86 include:

- Full reconstruction of the pavement structure
- New curb and gutter in Wallenstein
- Installation of new stormwater management measures to improve drainage
- Improved pedestrian, cyclist and buggy facilities
- Utility relocation where necessary, to accommodate these improvements

Why Are We Considering Road Improvements?

- Deteriorated Road Condition
- Cycling Needs
- Storm Sewer

Preliminary Cost Estimate (Budget): \$ 2,890,000.00
