

Asphalt Resurfacing

Lobsinger Line (Regional Road 15) from Anita Drive to 700 metres west of Herrgott Road; and Herrgott Road from Lobsinger Line to Sunset Drive

Village of St. Clements

Study/Project Scope (What & Why)

Work under this contract includes the rehabilitation and resurfacing of Herrgott Road (Regional Road No. 10) from Lobsinger Line to Sunset Drive and Lobsinger Line (Regional Road No. 15) from Anita Drive to 800 metres west of Herrgott Road in the Village of St. Clements in the Township of Wellesley. The scope of work generally includes the full depth reclamation of the existing asphalt, excavation of the reclaimed asphalt and existing road base, supply and placement of Granular 'A' road base and supply and placement of hot mix asphalt. Construction is scheduled to start in late April/early May 2019 and be substantially complete by August 2019

Preliminary Cost Estimate (Budget):

\$1.42 million
