

# Northfield Drive (Regional Road #22) Improvements Bridge Street to University Avenue

Class Environmental Assessment Study Information Sheet for Schedule C Projects

## Study/Project Scope (What & Why)

This Schedule 'C' Class Environmental Assessment Study (Class EA) has been completed and recommends widening Northfield Drive from two (2) to four (4) lanes including improvements to signalized intersections, a multi-use trail on the south side of Northfield Drive and a 1.8 metre wide sidewalk on the north side of Northfield Drive. Due to current traffic and changes in projected traffic volumes, the project will be staged. Stage 1 of the widening of Northfield Drive from Davenport Road to Bridge Street was complete in 2018. Stage 2 of the widening of Northfield Drive from Bridge Street to University Avenue will be completed in 2022.

**Preliminary Cost Estimate (Budget):** \$8.5 million
