

**Weber Street (Regional Road No. 8), Blythwood Road to Northfield Drive,
Waterloo**

**Class Environmental Assessment Study Information Sheet
for Schedule B and C Projects**

Study/Project Scope (What & Why)

The purpose of this Class EA Study is to identify recommendations for improvements to Weber Street which best address its deteriorating infrastructure as well as to consider enhancements to the roadway corridor to better facilitate all modes of travel consistent with Regional policies, practices and guidelines, improve the landscape/streetscape, and meet operational requirements while minimizing adverse impacts to adjacent properties and the environment.

Preliminary Cost Estimate (Budget): \$8,500,000.00

Preliminary Schedule:

Commencement of Construction: May 2020

Completion of Construction: December 2020
