

Regional Road #17 Reconstruction
King Street to Waterloo – St. Jacob’s Tracks
Class Environmental Assessment Study Information Sheet
for Schedule A+ Projects

Study/Project Scope (What & Why)

Proposed Roadway Improvements for Regional Road 17 include:

-Full reconstruction of Regional Road 17 from King Street west to Northside Drive, south to Hawkesville Road, and west along Hawkesville Road to the United Calvary Church, including storm sewer installation, curb and gutter, sidewalks, on- road cycling/buggy lanes, and water and sanitary sewer system improvements where deemed necessary by the Township of Woolwich;

Full reconstruction of Regional Road 17 to a rural cross section, from the United Calvary Church west to the Waterloo-St. Jacobs railway crossing, including drainage improvements and on- road cycling/buggy lanes;

- Utility relocation where necessary, to accommodate these improvements.

Preliminary Cost Estimate (Budget) \$1,980,000.00

Preliminary Project Schedule

Council Approval of Design Concept:	2015
Commencement of Detailed Design:	2015
Commencement of Construction:	Spring 2020
Completion of Construction:	Summer 2020
