

Northumberland Improvements - Village of Ayr, Township of North Dumfries

from Stanley Street to CPR Tracks

Class Environmental Assessment Study Information Sheet for Schedule B and C Projects

Study/Project Scope (What & Why)

Regional Council has approved road improvements on Regional Roads in the Village of Ayr including Swan Street from Hilltop Drive to Stanley Street, Stanley Street from Northumberland Street to St. Andrew Street and Northumberland Street from Stanley Street to the CPR Railway crossing. Road improvements include cycling facilities (combination of shared use and 1.25m wide cycling lane), infill concrete sidewalks on one or both sides of the road where feasible and bridge improvements downtown on Northumberland Street. The new larger diameter watermain is required on Northumberland Street from Gibson Street to Stanley Street, on Stanley Street from Northumberland Street to Swan Street and on Swan Street from Stanley Street to Hilltop Drive.

Preliminary Cost Estimate (Budget):

\$5.0 Million
