

Class Environmental Assessment Study Information Sheet for Schedule A+ Projects

Ainslie Street (Regional Road 24) and Park Hill Road (Regional Road 77)
Improvements

City of Cambridge

Study/Project Scope (What & Why)

Ainslie Street and Park Hill Road improvements will address infrastructure that has reached the end of its service life, requiring replacement.

Improvements on Ainslie Street, from Water Street North to Market Street and Concession Street to Water Street South, will include asphalt rehabilitation. Improvements of other sections of Ainslie Street and Park Hill Road, from Water Street North to Ainslie Street, will include streetscape enhancements and replacement of underground sanitary and storm sewers; transmission and distribution watermains; traffic signals; street lighting; roadway base and asphalt; concrete curb and gutter, and sidewalks.

Study Limits (from/to):

Ainslie Street from Water Street North to Water Street South and Park Hill Road from Water Street North to Ainslie Street. (Key Plan on next page)

Preliminary Cost Estimate (Budget):

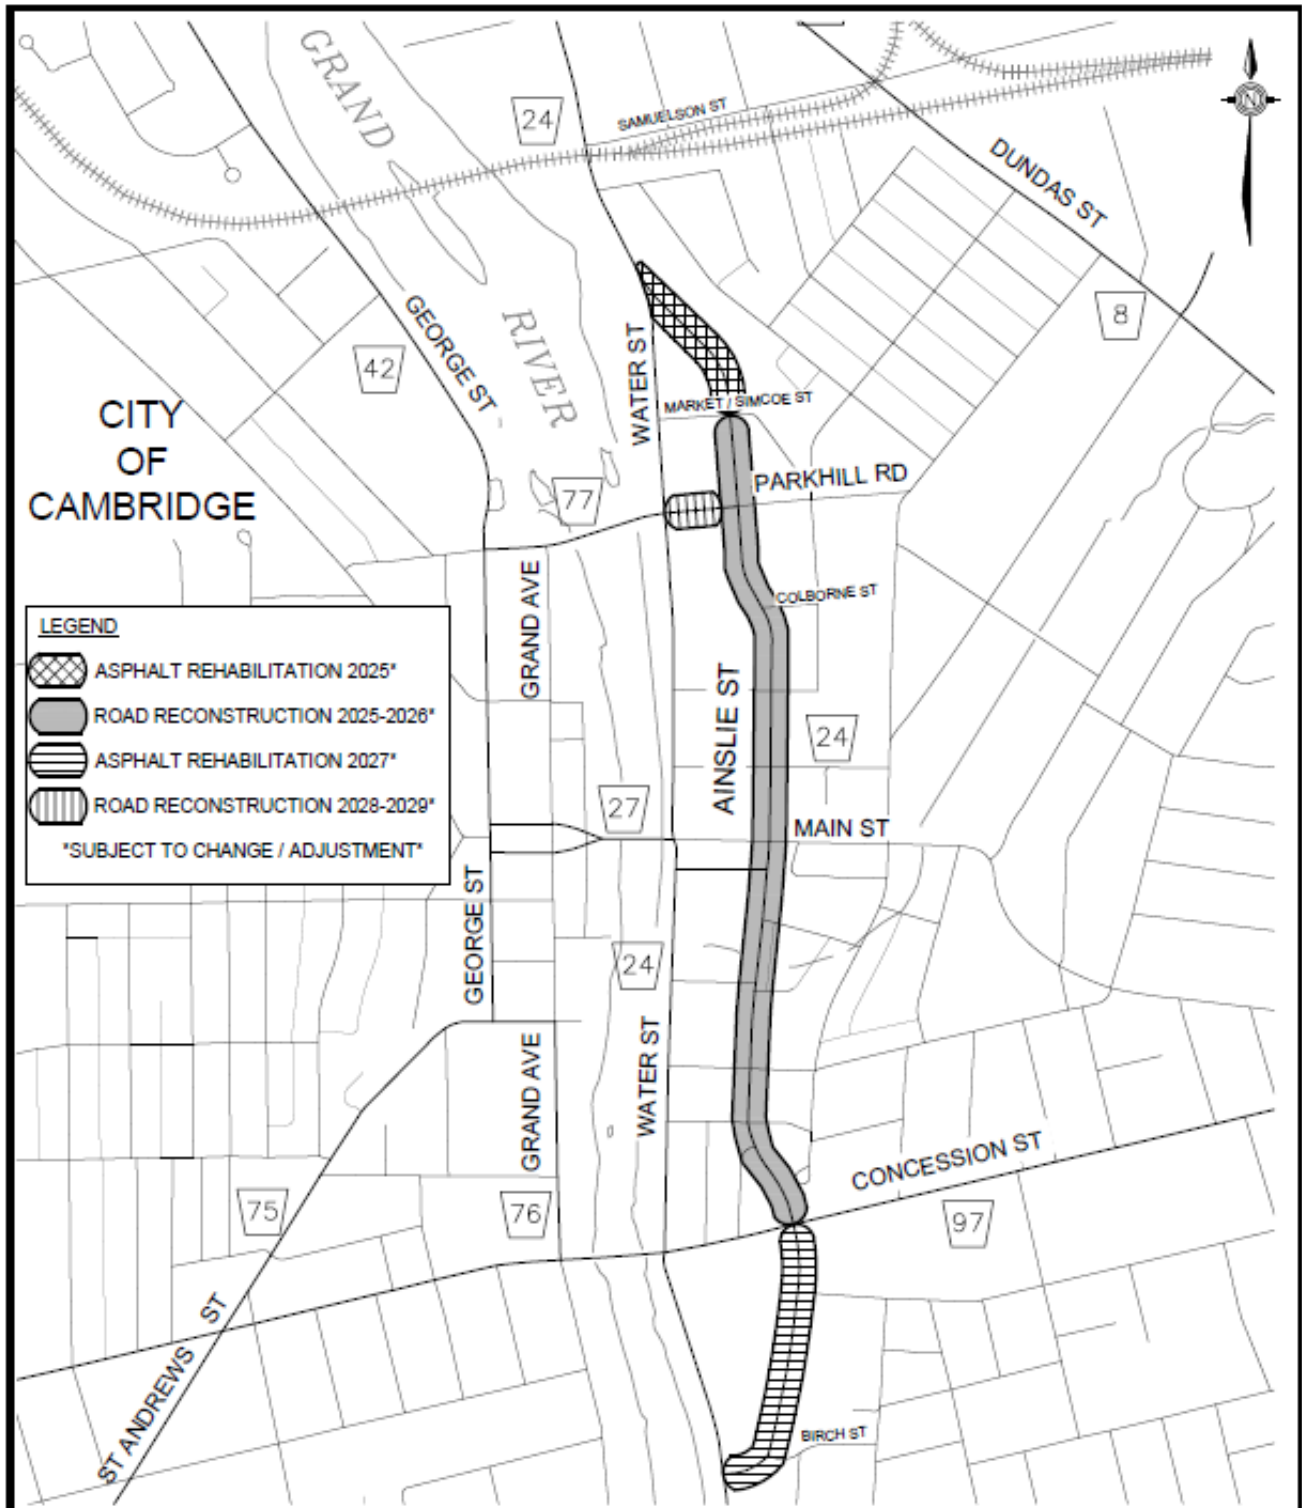

\$9,299,000.00

Estimated Project Schedule

Milestone	Estimated Date	Details
Commencement of Engineering Design:	January 2021	
Public Information Meeting:	Fall 2023	
Council Approval Report	Fall 2024	
Commencement of Construction:	Spring 2025	
Completion of Construction:	Fall 2029
