

# Snyder's Road Improvements - Village of Baden, Township of Wilmot

## Christian Street to Gingerich Road

Class Environmental Assessment Study Information Sheet for Schedule A+ Projects

### Study/Project Scope (What & Why)

Complete reconstruction of Snyder's Road from Christine Street to Gingerich Road including replacement of the existing watermain, sanitary sewers and storm sewers, sidewalk, curb & gutter as well as road structure; Construction of 1.50 metre concrete separated cycling lanes (separated from traffic by a roll-over curb) on both sides of Snyder's Road to provide a traffic calming and speed reduction effect; On road parking at various locations along Snyder's Road; Urbanization of Snyder's Road from Schneller Drive to Gingerich Road including the installation of new storm sewer and curb and gutter to replace the ditches and driveway culverts;

Installation of new sidewalk on the south side of Snyder's Road from Schneller Drive easterly to the village limits, just west of Gingerich Road; Construction of a centre refuge island immediately west of Schneller Drive to allow pedestrians to cross the road one half at a time and only have to wait for gaps in one direction of traffic at a time; and installation of new boulevard trees where space permits.

**Preliminary Cost Estimate (Budget):** \$13,000,000

### Preliminary Project Schedule

<a href="#">Public Consultation Centre #1</a>	November 5, 2015
<a href="#">Public Consultation Centre #2</a>	November 24, 2016
<a href="#">Parking Workshop</a>	May 25, 2017
<a href="#">Public Consultation Centre #3</a>	April 5, 2018
<a href="#">Council Approval of Design Concept:</a>	April 9, 2019
<a href="#">Letter to Residents</a>	April 13, 2021
Commencement of Detailed Design:	Winter 2019
Commencement of Construction:	Spring 2021
Completion of Construction:	Fall 2023
