

Bridgeport Road (King Street to Albert Street), Caroline Street (Albert Street to Erb Street) and Erb Street (Caroline Street to King Street)

Class Environmental Assessment Study Information Sheet for Schedule B and C Projects

Study/Project Scope (What & Why)

Improvements to Bridgeport Road (King Street to Albert Street), Caroline Street (Albert Street to Erb Street) and Erb Street (Caroline Street to King Street) are needed as the existing underground and surface infrastructure are nearing the end of their useful life and need replacement. These roads are within the Urban Core Area of the City of Waterloo and need to support future intensification while prioritizing walking, cycling and public transit. The roads also must to continue to accommodate significant future peak hour traffic.

Preliminary Cost Estimate (Budget): \$3.23 Million

Preliminary Schedule

Council Approval of Design Concept May 2, 2016

Commencement of Construction: Spring 2020

Completion of Construction: Fall 2020
