

University Avenue Improvements, Albert Street to Weber Street, City of Waterloo

Class Environmental Assessment Study

Information Sheet for Schedule C Projects

Study/Project Scope (What & Why)

The Regional Municipality of Waterloo (Region) is undertaking a Schedule C Class Environmental Assessment (Class EA) for roadway, intersection and active transportation improvements on University Avenue. The project limits includes University Avenue from Albert Street to Weber Street in the City of Waterloo. The Region's Transportation Master Plan has identified the road section on University Avenue from King Street to Weber Street for cycling infrastructure installation to complete cycling network connectivity in this area.

Preliminary Cost Estimate (Budget) \$3,270,000

Preliminary Schedule
