

Maple Grove Road Improvements

Hespeler Road to Vondrau Drive, City of Cambridge

Class Environmental Assessment Study Schedule “C”

Study/Project Scope (What & Why)

The Region of Waterloo is undertaking a Schedule "C" Class Environmental Assessment to consider improvements to Maple Grove Road from Hespeler Road to Vondrau Drive in the City of Cambridge. Improvements being considered include widening from two (2) to four (4) lanes, intersection improvements, cycling and pedestrian facilities, drainage improvements, bridge widening and culvert extensions, storm sewers, sanitary sewers, watermain looping, streetlights and landscaping/streetscaping.

The Region will be seeking your input throughout the process. Background studies are currently underway to help the Project Team develop potential design alternatives to meet the needs of the corridor. These initial alternatives will be presented at the first Public Consultation Centre.

Preliminary Cost Estimate (Budget):

\$ 50 – 70 Million

Preliminary Project Schedule

Notice of Commencement	Winter 2020
1 st Public Consultation Centre	Spring 2020
2 nd Public Consultation Centre	Fall 2020
