

Maple Grove Road Improvements

Hespeler Road to Vondrau Drive, City of Cambridge

Schedule C Class Environmental Assessment Study

Study/Project Scope (What & Why)

The Region of Waterloo is undertaking a Schedule C Class Environmental Assessment to study required improvements to Maple Grove Road from Hespeler Road to Vondrau Drive in the City of Cambridge. Improvements being studied include: road widening from two (2) to four (4) lanes; intersection improvements; cycling and pedestrian facilities; drainage improvements; bridge widening and culvert extensions; storm sewers; sanitary sewers; watermain; street lighting; and landscaping.

Background studies are currently underway to help the Project Team develop design alternatives to meet the needs of the corridor. Initial alternatives will be presented during the first Public Consultation Centre.

The Region will be seeking public input throughout the process.

Preliminary Cost Estimate (Budget): \$50 – 70 Million
