

Class Environmental Assessment Study Information Sheet for Schedule C Projects

McQueen Shaver Boulevard (Regional Road 81) Phase 2 Expansion – Franklin
Boulevard Extension (Regional Road 36) to Highway 8

City of Cambridge and Township of North Dumfries

Study/Project Scope (What & Why)

The Regional Municipality of Waterloo has undertaken a study to address a new transportation network facility in the southeast area of the City of Cambridge and Township of North Dumfries. The study was completed as a Schedule 'C' Class Environmental Assessment.

The approved project will provide a new four lane divided and illuminated roadway with a multi-use pathway for active transportation users.

The previously completed construction phase connected Highway 24 to Franklin Boulevard Extension and went into service October 2021.

Study Limits (from/to):

Franklin Boulevard Extension to Highway 8. (Key Plan on next page)

Preliminary Cost Estimate (Budget):

\$20,327,000

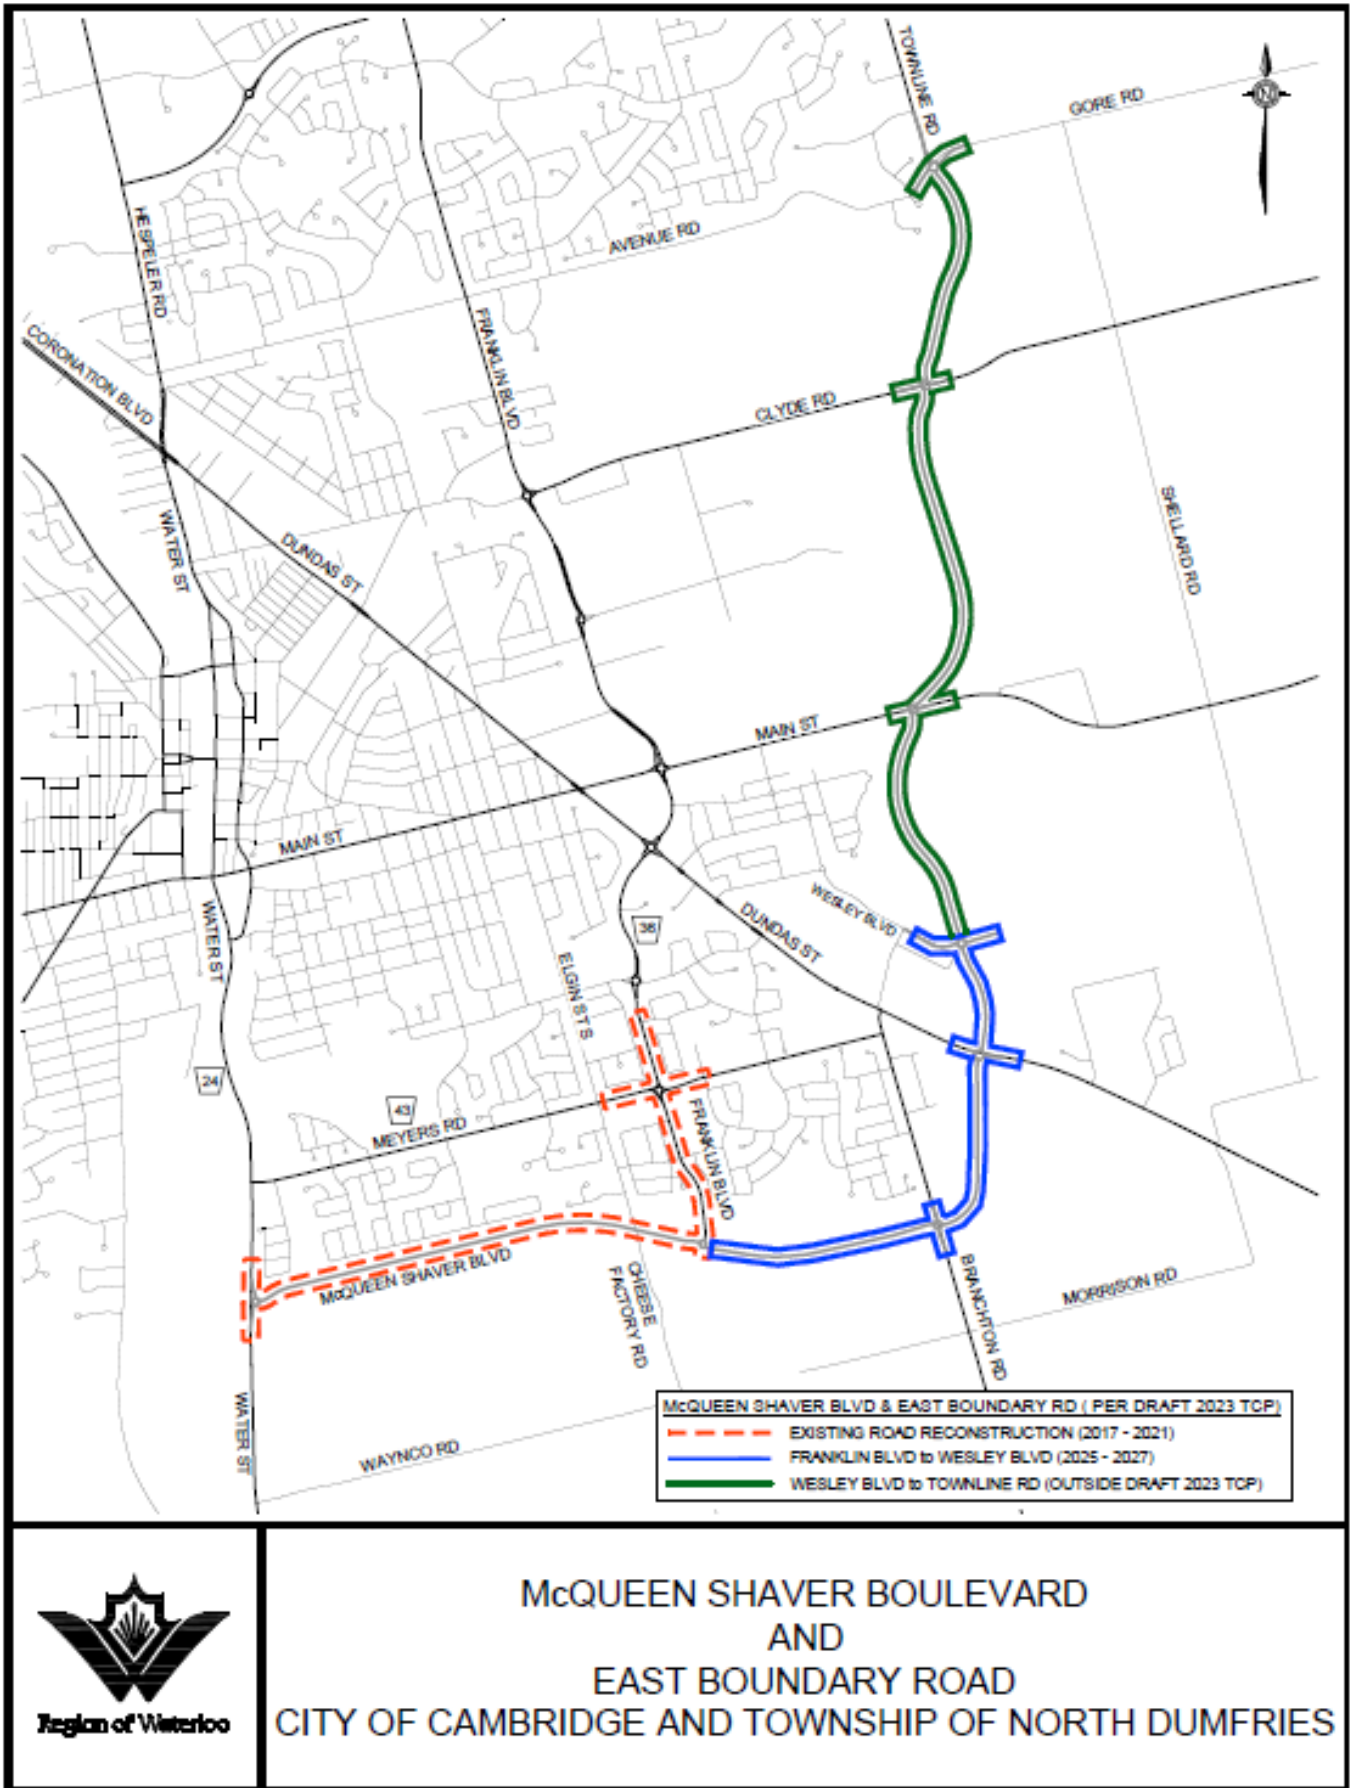

Estimated Project Schedule

Milestone	Estimated Date
Commencement of Construction:	Spring 2025
Completion of Construction:	Fall 2027
