

# East Boundary Road, City of Cambridge, Township of North Dumfries, Township of Puslinch

## Class Environmental Assessment Study Information Sheet for Schedule B and C Projects

### Study/Project Scope (What & Why)

The Region Municipality of Waterloo is undertaking a study to address a potential new transportation network facility in the southeast area of the City of Cambridge, Township of North Dumfries and a portion in the Township of Puslinch. This study is being carried out under Schedule 'C' of the Class Environmental Assessment process and will look to various alternatives for transportation facilities including potential new roadway route alignments. The need for a future "East Boundary" road has been documented in several previous transportation studies.

**Preliminary Cost Estimate (Budget):** \$800,000 (Corridor Study only)
