

Roundabout
(RR71) Dickie Settlement Road. at (RR46) Roseville Road
North Dumfries Township

Project Scope

Based on technical studies, current experience with the Region's existing roundabouts and input received from the public regarding this project, staff have proposed a single lane roundabout, for the following reasons:

- The roundabout would result in fewer injury collisions than a signalized intersection;
- The roundabout would result in fewer delays to all users; and
- The roundabout would result in lower operating speeds.

Preliminary Cost Estimate (Budget): \$1,746,000 (From TCP)
