Company or Resident Name

Phone: _____

Size of Load (i.e. number & size of bins; number of bags, etc):

Asbestos Disposal Information:

- Only asbestos generated from within the Region of Waterloo will be accepted. Asbestos sources can be subject to inspection by the Region of Waterloo, at their sole discretion, prior to approval for disposal.
- Material is accepted between 7 am and 3 pm on Wednesdays **ONLY**.
- All material must be either double bagged in 3-mil bags, or placed in a single 6-mil bag, labeled asbestos and securely sealed, or must be enclosed in a lined bin.
- The transporter must wear a safety vest and safety boots, and is responsible for unloading asbestos from the vehicle.
