**Rules:**
- Do not overfill your green bin. **Maximum weight** limit of **23 kilograms (50 pounds)** each.
- Set your green bin **to the curb by 7 a.m. every week** (even if it is not full) on your regular collection day.
- Do not set your kitchen container to the curb.
- Place certified compostable bags in the green bin with the logo facing up.
- Ensure the green bin is visible and accessible. Do not put it on top of snowbanks or behind parked cars.
- Use liner bags (see section below). Securely close all liner bags. Green bins that have loose/unbagged organics will not be collected.
- Replace your green bin if it is cracked or broken.

**Liner bags**
- **Paper liner bags.** All paper liner bags are acceptable and do not need certification logos on them. **Use other paper bags,** such as from take-out foods.
- **Make kitchen container liners out of newspaper.** Instructions are on our website at www.regionofwaterloo.ca/waste or phone 519-575-4400 to request a copy.
- **Certified compostable plastic (CCP) liner bags.** CCP bags are the only plastic allowed. They are made from plant-based materials and compost well. Buy only Certified Compostable bags with one or both of these logos:
