

HOW TO RECYCLE

plastic bags and outer wrap

Recycle **ONLY** these plastic bags

Plastic bags may look the same but they are made differently and some cannot be recycled. Only these bags can be recycled:

- Bread bags
- Garden bags (mulch, soil)
- Milk bags (outer and inner), rinsed
- Newspaper bags
- Retail store bags, grocery bags
- Salt bags (softener, driveway)
- Outer wrap such as from toilet paper and beverage cases

NO other plastic bags are accepted:

- No vegetable or fruit bags (fresh, frozen, produce bags), no zippered bags, no pouch bottom bags, no chip bag or snack bags

How to recycle: Shake each bag empty. Put all loose bags into one bag, tie shut, put this into the Paper and Plastic Bag Blue Box. Do not put loose bags in with Containers.

Not sure? Ask the Waste Whiz. Download the Waste Whiz app or check on our website.

Tie all bags into one
