

REGION OF WATERLOO
Ontario Renovates Program
Application Form for Secondary Suites

Ontario Renovates (O.R.) is a component of the Investment in Affordable Housing for Ontario program and is being delivered by the Region of Waterloo on behalf of the Federal and Provincial governments.

The program has limited funding available to assist eligible households to create or legalize an existing secondary suite. To be eligible for this program, the applicants must reside in the home and meet specific eligibility requirements.

Please note that annual funding is limited. All applicants will be contacted and those who are eligible will be contacted to arrange a home inspection. If current year funding has been depleted, eligible households will be placed on the O.R. waitlist on a first come first serve basis for the following year.

Recipients of the loan can receive up to a maximum of \$25,000 per property. The loan amount includes a grant portion for accessibility modifications, if required, of up to \$5,000 that does not need to be repaid. Please note the maximum funding limits may be subject to change.

The loan is interest-free and forgivable after 15 years, provided there has been no default under the terms of the loan. If the home is sold before 15 years, the applicant will have to pay back the outstanding amount of the loan they received. The loan decreases in amount at an equal value over the 15 years.

What is a secondary suite?

A secondary suite is defined as a self contained, separate unit with sleeping area, full kitchen, and full bathroom with a separate entrance. The unit (new or to be legalized) must meet applicable zoning, building, fire, and property standards and codes.
