What is Walk and Roll?

Walk and Roll is the Sunnyside Foundation's largest and longest running annual fundraiser. Traditionally, hundreds of people would gather at Sunnyside Home in Kitchener to participate in this "fun-run" style event, but the COVID-19 pandemic has forced us to make some changes over the past few years.

Walk and Roll 2022 will be a week-long event that will be split into five days. Each floor at Sunnyside will have their own walk/roll event where as a group we will make our way around the Sunnyside campus. Each event has a tentative start time of 2 p.m.

June 20: Riverside and Greenfield

June 21: Pioneer Tower and Three Bridges

June 22: Cider Mill and Woodside

June 23: Buttonworks and Laurel Creek

June 24: Castle Kilbride and Shantz Hill

Sunnyside CAP and Supportive Housing will be participating as well throughout the week. For details, please visit our website.

How can I help?

There are lots of ways to help.

- ✔ **Register, raise pledges, and participate.** Join us with your loved ones in-person* or participate offsite on your own.
- ✔ **Sponsor someone** who is participating in the event.
- ✔ **Make a donation** to the Sunnyside Foundation.
- ✔ **Tell your friends** and family about this event.

*subject to Public Health restrictions

Why support the Sunnyside Foundation?

Thanks to support from our donors, the Sunnyside Foundation is able to fund much needed programs, projects, research, and specialized equipment.

This year, all the funds that are raised during Walk and Roll will support Sunnyside's certification in "The Butterfly Approach." Butterfly is an innovative model of emotion-focused care to support those living with dementia.
