Reports – Public Health

a) PH-14-001, Public Health Inspection Disclosure System: Check It! We Inspect It. (Presentation)

Dave Young, Director, Health Protection and Investigation, provided a presentation on the new searchable health protection website. A copy of the presentation is appended to the original minutes. He explained that the website is an expansion of the food premises inspection website and now includes inspection results for personal service businesses such as spas and tattoo parlors.

The Committee thanked Public Health staff for the expansion to the website. In response to a question from the Committee, D. Young provided a walkthrough of the website and demonstrated how to view inspection reports and determine if infractions have been corrected. Chris Komorowski, Manager Food Safety, Recreational Water and Cambridge & Area Team, explained that when inspectors find an infraction that cannot be corrected during an inspection they will make a risk assessment and determine a
course of action. This could include following up with a routine inspection, re-inspecting the business within 48 hours, or shutting the business down.

Chair S. Strickland thanked staff for the presentation and noted that the new process includes quick response codes on the signs given to businesses and allows members of the public to lodge complaints on the website.

Received for information.

**Reports – Social Services**

Chair S. Strickland acknowledged that due to her retirement this would be the last Community Services Committee meeting for Gail Kaufman Carlin, Director, Seniors’ Services. He thanked her for her many years of service to the Region.

b) SS-14-001, Employment Ontario 2014/2015 Business Plan Approval

Douglas Bartholomew-Saunders, Commissioner, Social Services, explained that the Region has been asked to expand the current Employment Ontario services. This will require hiring three additional full time staff with that will be funded by the provincial government.

In response to a question from the Committee, D. Bartholomew-Saunders explained that if the funding for these positions is lost applicable provisions of the collective bargaining agreement would apply to staffing decisions.

Chair S. Strickland suggested that mini continuity schedules for the appropriate division be included in similar reports in the future that outline how many full-time equivalents exist and the what the funding source for the positions are.

*C. Zehr left the meeting at 3:42 p.m.*

Moved by J. Wideman

Seconded by J. Mitchell

That the Regional Municipality of Waterloo increase the 2014 operating budget for Employment and Income Support, Social Services by $ 206,709 gross and $ 0 net Regional levy;

That the Regional Municipality of Waterloo increase the staffing complement for Employment and Income Support, Social Services by three (3) full time equivalent staff positions effective April 1, 2014; and

c) SS-14-002, Publically Funded Physiotherapy - Sunnyside Wellness Centre

D. Bartholomew-Saunders explained that the Ministry of Health and Long-Term Care has approved the Sunnyside Wellness Centre as a provider for publicly funded physiotherapy. This will be an added benefit to the other services provided by the Wellness Centre.

In response to a question from the Committee, G. Kaufman Carlin stated that costs related to the provision of publically funded physiotherapy will be billed to the Ontario Health Insurance Plan.

Moved by J. Haalboom

Seconded by L. Armstrong

That the Regional Municipality of Waterloo approve the provision of publically funded physiotherapy services at the Sunnyside Wellness Centre as outlined in Report SS-14-002 dated January 7, 2014.
