

BY-LAW NUMBER 10-020

OF

THE REGIONAL MUNICIPALITY OF WATERLOO

A By-law to Amend By-law Number 07-069,  
a By-law Respecting the Conservation of Water

---

The Council of the Regional Municipality of Waterloo enacts as follows:

1. That Section 5 of By-Law 07-069, A By-Law Respecting the Conservation of Water, is hereby deleted and replaced with the following:

“5. Notwithstanding section 3 of this By-law, irrigation with a watering device is permitted for the following:

(a) newly planted sod or grass or seed forming part of a lawn:

- (i) at any time during the twenty-four (24) hours immediately after planting or seeding;
- (ii) immediately thereafter, on each of the six (6) consecutive calendar days between the hours of 5:30 a.m. and 10:00 a.m. and between the hours of 7:00 p.m. and 11:00 p.m.; and
- (iii) (A) immediately thereafter, during the further seven (7) consecutive calendar day period, between the hours of 5:30 a.m. and 10:00 a.m. and between the hours of 7:00 p.m. and 11:00 p.m. on even numbered calendar days if the newly planted sod or grass or seed forming part of a lawn is located on premises or on the road allowance immediately adjacent to and within the extension of property lines of premises with a municipal address ending in an even number; or  
(B) immediately thereafter, during the further seven (7) consecutive calendar day period, between the hours of 5:30 a.m. and 10:00 a.m. and between the hours of 7:00 p.m. and 11:00 p.m. on odd numbered calendar days if the newly planted sod or grass or seed forming part of a lawn is located on premises or on the road allowance immediately adjacent to and within the extension of property lines of premises with a municipal address ending in an odd number;

provided a sign, in the form as prescribed in Schedule “A” attached to this By-law, is posted at the entrance to the property in a location visible to all persons that sets out the date when the planting or seeding occurred;

- (b) outdoor grass, turf or lawn that is being treated with nematodes\_or has been treated with nematodes for a period up to 24 hours after treatment, and immediately thereafter, during the further six consecutive calendar day period, between the hours of 5:30 a.m. and 10:00 a.m. and between the hours of 7:00 p.m. and 11:00 p.m., provided that:
- (i) the owner of the property on which the nematodes are applied, or the owner’s agent, gives the Commissioner notice in writing or by telephone, at such address or telephone number as set from time to time by the Commissioner, prior to the application of the nematodes;
  - (ii) the owner of the property on which the nematodes are applied, or the owner’s agent, has a receipt for the purchase of the nematodes; and
  - (iii) the irrigation is required in accordance with the manufacturer’s instructions for the nematodes; or

(c) outdoor grass, turf or lawn treated with any pesticide, herbicide or fertilizer that require irrigation while being treated and during the 24 hours immediately following treatment.

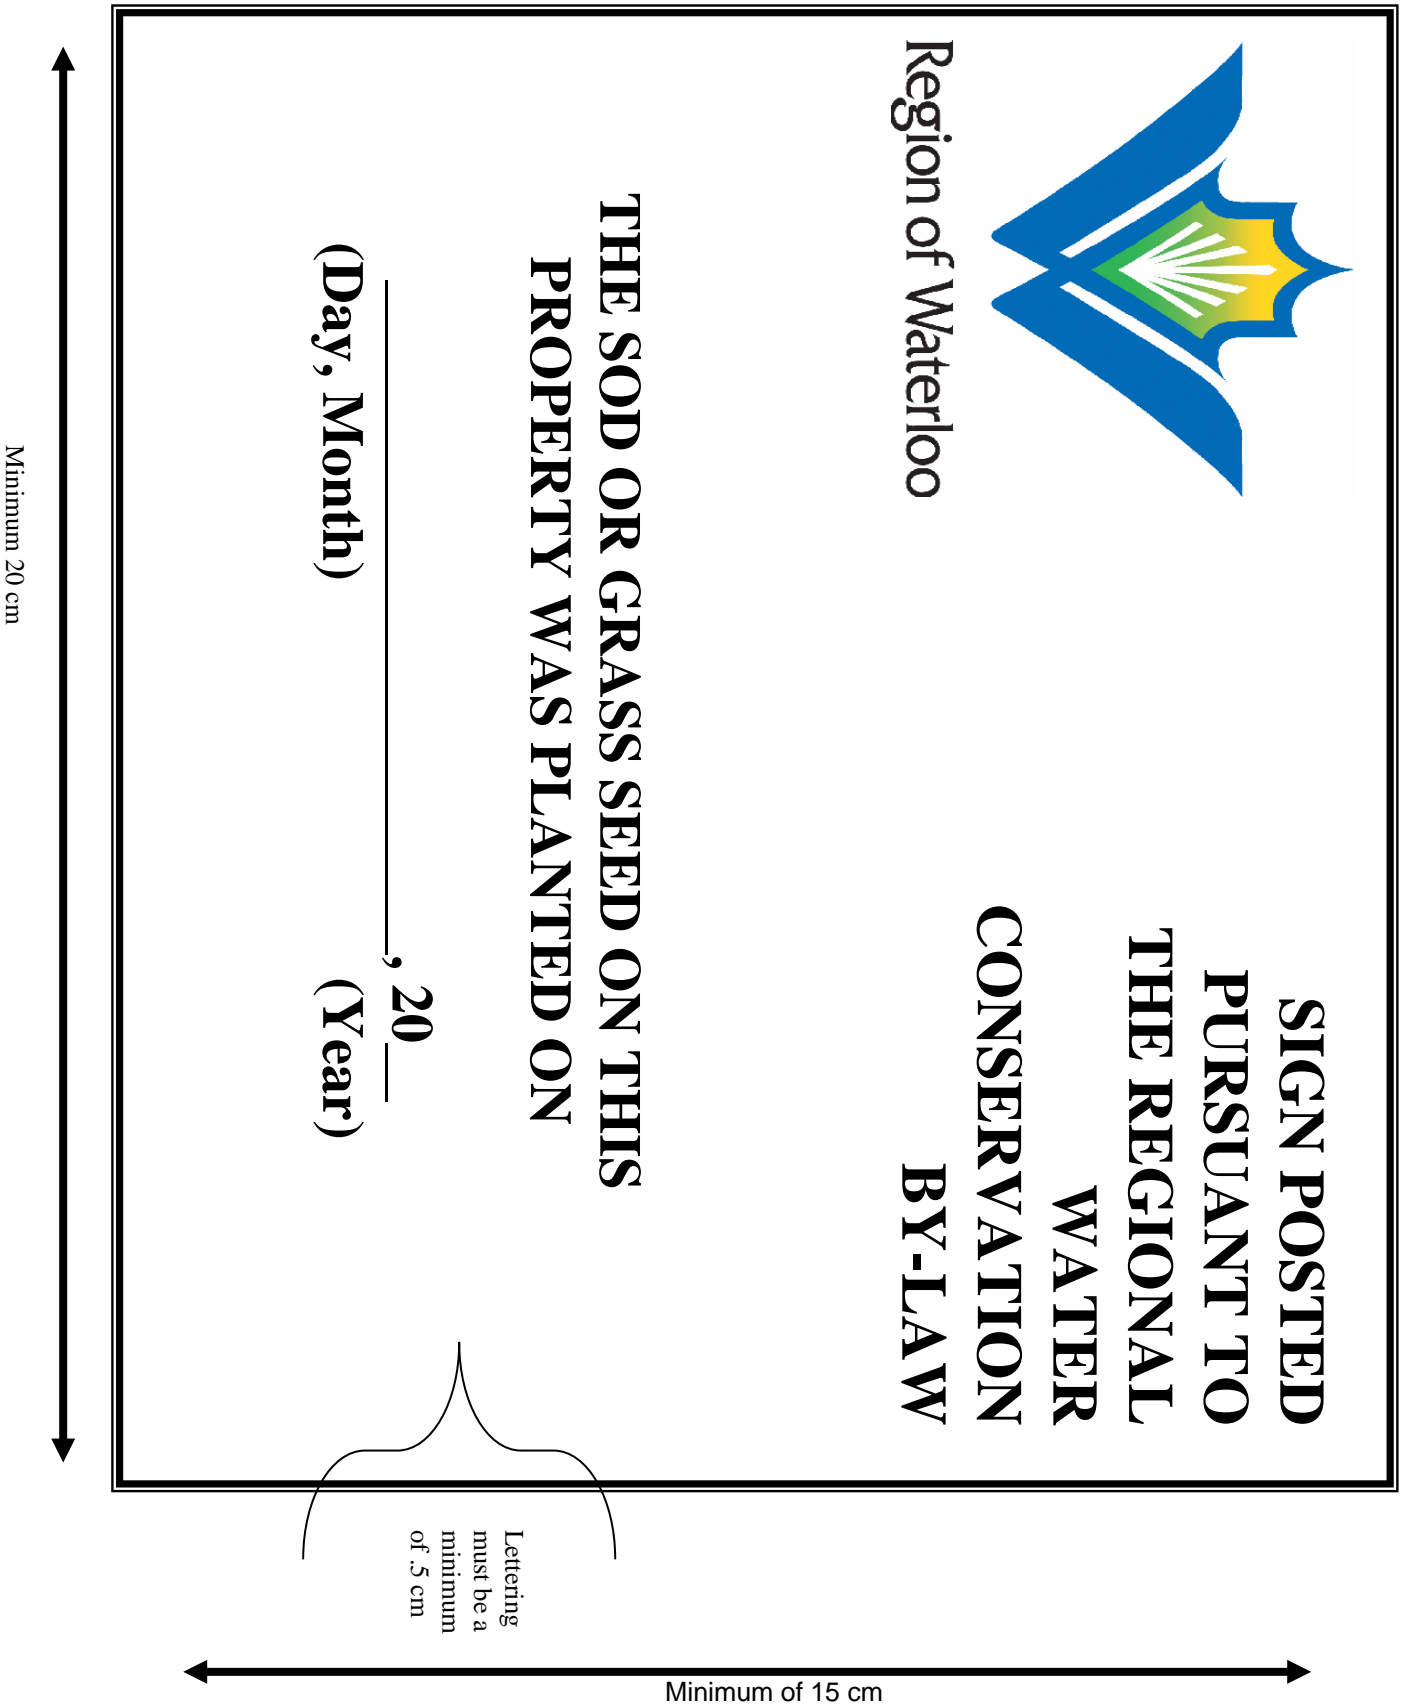

2. This By-law comes into force and effect on the date of final passage hereof.

By-law read a first, second and third time and finally passed in the Council Chamber in the Regional Municipality of Waterloo this 14<sup>th</sup> day of April, A.D., 2010.
