Welcome

Good morning everyone, and welcome to this week’s community update. This week, I am happy to welcome back Grand River Hospital’s Lisa Anstey, Manager of the Cambridge Pinebush Vaccination Clinic.

On December 11th and 12th, Cambridge Pinebush will once again be hosting a “Every Dose Counts” vaccination clinic, from 8 am to 7 pm. But there is obviously a new wrinkle this time around – the clinic will be ready to administer 6,000 doses to children. The Every Dose Counts event next weekend is part of our vaccination program for children that provides a welcoming and safe environment for kids age 5 to 11 to get vaccinated. Lisa will tell us more about this soon.

For more information about where families can get their kids vaccinated, visit www.regionofwaterloo.ca/ChildrenVaccine. Vickie Murray will also have more information in a moment.

Vaccines are an important tool to help stop the spread of COVID-19, and allows families with young children to feel safer resuming normal activities.

We have made great gains in our fight against the virus, and our vaccination program for children allow us to continue that effort.

There are 3 enforcement actions to report since the last update.

Region of Waterloo Public Health issued two tickets to Gus and Guido’s Backyard in Ayr, for Failing to Comply with a Continued Order, and
Obstructing a Person Performing a Duty under the Reopening Ontario Act. Both tickets carry a fine of $1,130 dollars each.

Public Health also issued one ticket to Rumbletum Café and Gifts for Failing to Comply with a Continued Order. This ticket carries a fine of $880.

I will now pass it to our Medical Officer of Health Dr. Wang.
