

# Investing in Our

# Community Infrastructure

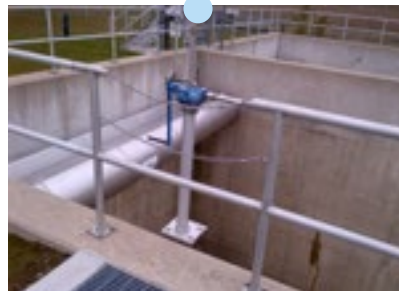

The Region of Waterloo collects development charges to help pay for infrastructure needed to support growth throughout Waterloo Region.

Here are some examples of how the Region has invested the money collected through **Regional Development Charges** into community infrastructure:

## Water/Wastewater

Middleton Water Treatment Plant Upgrades, Cambridge

Elmira Waste Water Treatment Plant Upgrades, Township of Woolwich

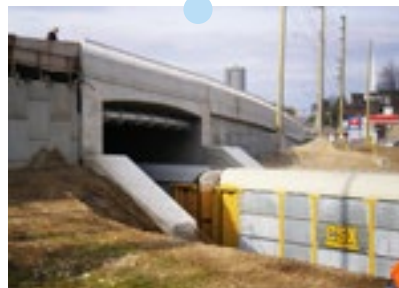

Waterloo Waste Water Treatment Plant Upgrades, Waterloo

## Roads and Bridges

Fairway Road Extension and Bridge, Kitchener

Delta Intersection (Highways 8 and 24) Road Construction and Grade Separation, Cambridge

Ira Needles Boulevard and Roundabouts, Kitchener/Waterloo

## Grand River Transit

Facilities and Transit Fleet Expansion

## Region of Waterloo International Airport

Airport Business Park Development

## Paramedic Services

Facilities and Ambulance Fleet Expansion

## Region of Waterloo Libraries

Books and Digital Resources
