**Re: Proposed Roundabout at Sawmill Road (Regional Road 17) and Ebycrest Road**

Dear: Resident/Tenant or Business Owner,

In a continued effort to enhance service and safety on the Regional road network for pedestrians, cyclists and drivers, Regional staff reviewed traffic operations at the intersection of Sawmill Road and Ebycrest Road. The resulting recommendation is to construct a roundabout.

Prior to making a final recommendation to Regional Council, Regional staff are inviting the public to provide input on the proposed roundabout at this location.

You can provide feedback online From January 12, 2022 until February 11, 2022, by clicking the link provided. <https://www.engagewr.ca/sawmill-road-and-ebycrest-road>
