City of Waterloo
Schedule 'C' Municipal Class Environmental Assessment

The Regional Municipality of Waterloo has undertaken a planning study in accordance with the Ontario Environmental Assessment Act following the approved process for Schedule 'C' projects under the "Municipal Class Environmental Assessment" (October 2000, as amended through 2015) to address transportation system improvements in the City of Waterloo. The Recommended Design Alternative includes the following key elements:

- Widen the road from 2 to 4 lanes of through vehicle traffic; and, add new
- 3-metre-wide boulevard multi-use trail (MUT) along both sides of the road;
- Curb and gutter and a stormwater drainage system;
- 5.0-metre-wide raised curb, grassed median; and
- Additional street lighting.

By copy of this Notice, the Environmental Study Report is being placed on the public record for a 30-day review period in accordance with the requirements of a Municipal Class Environmental Assessment. Subject to comments received as a result of this Notice, and receipt of necessary approvals, the project may proceed to construction subject to Regional Council approval.

An electronic version of the Environmental Study Report is available for review online at https://www.regionofwaterloo.ca/en/living-here/resources/Documents/Future-Construction/DC_07221_InfoSheet.pdf.

Due to COVID-19 restrictions, a printed copy of the Environmental Study Report is not available for review through the Clerk's Offices at either the Region of Waterloo (150 Frederick Street, Kitchener, Ontario) or City of Waterloo (100 Regina Street South, Waterloo, Ontario) at this time. If you are unable to view the electronic version of the Environmental Study Report, please contact the Regional Clerk's Office by phone at 519-575-4400 or email at RegionalClerk@regionofwaterloo.ca to make other arrangements.

Interested persons may provide written comments to the Regional Clerk's Office within 30 calendar days from the date of this Notice. If concerns regarding this project cannot be resolved in discussion with the Region of Waterloo, a person or party may request that the Minister of Environment, Conservation and Parks make an order for the project to comply with Part II of the Environmental Assessment Act (referred to as a Part II Order). Part II Order Requests must be made using a Part II Order Request Form, available online at <http://www.forms.ssb.gov.on.ca> and search for "Part II Order Request".
